REDIFINE SUCCESS

About Us

XLOG was established with a powerful vision – to create meaningful employment, empower youth through hands-on skills development, and provide reliable automotive services to the Phuthaditjhaba community and beyond. From the very beginning, our focus has been on making a difference, not only under the hood of every vehicle we touch, but also in the lives of the people we serve and work with.

We operate as a full-service automotive fitment and repair centre, offering everything from tyre fitting and wheel alignment to suspension work, brake system repairs, diagnostics, and more. Our workshop is equipped with modern tools and staffed by trained professionals who are passionate about delivering safe, efficient, and affordable services for every client. Whether it's routine maintenance or urgent repair work, we approach each task with precision and care.

What sets XLOG apart is our commitment to customer satisfaction, community upliftment, and quality service. As we grow, we remain grounded in our purpose: to redefine success not just through profit, but through positive impact and long-term trust.

VISION, MISSION & CORE VALUES

OUR VISION

To become the most trusted and reliable automotive fitment centre in Phuthaditjhaba and surrounding areas, delivering top-quality services with integrity, efficiency, and a strong focus on customer satisfaction.

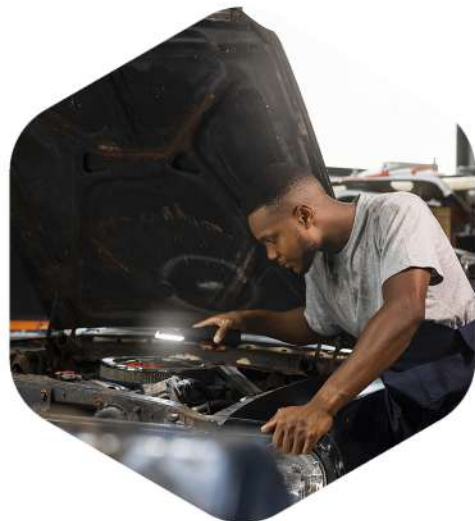

OUR MISSION

At XLOG Fitment Centre, our mission is to provide high-quality, affordable, and efficient automotive fitment services. We are dedicated to ensuring the safety, performance, and satisfaction of every vehicle owner who walks through our doors.

OUR CORE VALUES

- Customer First – We place customer needs at the heart of everything we do, building long-term relationships based on trust and satisfaction.
- Quality Service – We are committed to delivering excellence in every service, using top-grade products and skilled workmanship.
- Integrity – We operate with honesty, transparency, and ethical practices at all levels of our business.
- Innovation – We embrace modern automotive technologies to stay ahead and provide effective solutions.
- Community Focus – We believe in creating opportunities, uplifting the local economy, and investing in youth development.

OUR TEAM

At XLOG Fitment Centre, our team is the engine that drives our commitment to quality, safety, and community upliftment. We are a group of skilled, passionate professionals who take pride in every vehicle we service and every customer we serve.

FOUNDER & DIRECTOR – THABO MANUEL MOLOI

With a deep passion for automotive excellence and community development, Thabo Manuel Moloi founded XLOG to bridge the gap between quality service and job creation. Backed by hands-on industry experience and strong leadership, he continues to guide the company with vision and integrity.

OUR TECHNICIANS & SUPPORT STAFF

Our workshop is powered by a team of experienced mechanics and fitment specialists, trained in the latest vehicle systems and diagnostic tools. Each team member is dedicated to delivering exceptional workmanship while upholding our values of honesty, efficiency, and customer-first service.

Together, we are building more than just a service centre – we're building a trusted name in automotive care.
